PRNewswire-FirstCall
EL SEGUNDO, Calif.

DaVita Inc. has announced that it is seeking an amendment and restatement to its existing Senior Secured Credit Facilities primarily to reduce the margin over LIBOR that the Company pays as interest under the existing Term Loan A and Term Loan B. The outstanding balances on the Senior Secured Term Loan A and Senior Secured Term Loan B are approximately \$279 million and \$2,400 million, respectively. The amendment and restatement will be led by J.P. Morgan Securities Inc. Approval of the amendment and restatement requires approval of the existing lenders, and there can be no assurance that the Company will be able to secure such approval.
