

DaVita Inc. Refinances Senior Credit Facility

PRNewswire-FirstCall
TORRANCE, Calif.

DaVita Inc. today announced that it has amended its senior credit facility to include additional lenders, lower interest rates and increase outstanding borrowings by \$200 million. Floating interest rates on the existing Term B and new \$200 million Term C portion of the amended facility are LIBOR plus 2.5% with provision for further reductions to LIBOR plus 2.25% under certain circumstances. The interest rates and outstanding borrowings (\$149 million as of July 16, 2003) of the Term A and Revolving Credit Line remain unchanged. The Company also modified certain covenants and extended the weighted average maturity of the senior credit facilities from 4.4 to 4.9 years.
