

Falcon Physician Presented With Gold Award In The 7th Annual Golden Bridge Awards For Product Management Department Of The Year

DENVER, Dec. 7, 2015 /PRNewswire-USNewswire/ -- Falcon Physician was presented with the Gold award in the 7th Annual Golden Bridge Awards® for its Product Management Department. The coveted annual Golden Bridge Awards program encompasses the world's best in organizational performance, products and services, innovations and more from every major industry in the world. Winners were honored in San Francisco on Monday, November 16, 2015 during the 7th annual awards dinner and presentations.

The Falcon Physician team creates innovative IT solutions for nephrology and offers support for those solutions. The Falcon® suite of products includes a nephrology-focused electronic health record (EHR) as well as mobile tools. In the last 12 months, Falcon released a smartphone app for dialysis order review and signing and redesigned the dialysis rounding app for iPad®.

"Our team has worked hard to create innovative nephrology-focused tools in order to ultimately improve patient care," said Emily Bonham, Falcon Physician Director of Product and Marketing. "We are honored to be recognized for our commitment to usability and continuous improvement."

About Falcon Physician

The Falcon Physician product suite integrates with the dialysis center and doctor's office to manage kidney patients' health records from CKD through ESRD and can be accessed wherever there is internet access. Developed in collaboration with practicing nephrologists, Falcon's technology tools are supported by a dedicated team of health technology experts.
