

More Than 600 Cyclists to Ride through Virginia to Raise Awareness about Kidney Disease

DENVER, Sept. 20, 2018 /PRNewswire/ -- [DaVita Kidney Care](#), a division of DaVita Inc. (NYSE: DVA), a leading provider of kidney care services in the United States, today announced the kick off of its 12th annual [Tour DaVita](#) on September 23 in Doswell, VA.

"Over three days, riders will cycle nearly 230 miles across Virginia to not only raise awareness about kidney disease, but to support Bridge of Life medical missions around the world," said Dave Hoerman, chief wisdom officer for DaVita Kidney Care. "The 'Spirit of the Ride' empowers our patient, physician and teammate riders to support each other in achieving goals they might not have thought possible while coming together for a common purpose."

To participate in the event, riders each met a fundraising goal and paid their own travel expenses. Individual fundraising combined with donations from DaVita and other corporate sponsorship payments will contribute more than \$1.1 million to [Bridge of Life](#), a nonprofit organization founded by DaVita that supports medical missions in the U.S. and abroad. Bridge of Life works to strengthen health care globally through sustainable programs to prevent kidney disease through early-detection testing and education for adults and children.

Ride Details

Sept. 23 – The ride kicks off in Doswell, 25 miles north of Richmond. Riders will cycle through the quiet country roads, rolling farmlands and rivers of several Virginia counties. The loop will cover 66 miles of this peaceful rural region.

Sept. 24 – Riders will cycle through the historic countryside east of Richmond, ending in Williamsburg. Riders can choose a 75 or 100-mile route.

Sept. 25 – On the final day, riders will cycle from Williamsburg to the northwest and into Charles City County, a scenic area full of rich history. The route will leave and return on the Capital City bike trail and covers 58 miles.

To date, Tour DaVita has helped raise more than \$11 million for nonprofits dedicated to raising awareness of kidney disease, providing kidney disease screenings and expanding access to kidney care and primary health care in developing countries.
