Kent Thiry, DaVita® Chairman and Chief Executive Officer says, "Ric brings a wealth of communications experience to DaVita, and we look forward to the contributions he will make to help us meet our goal of shaping the future of kidney care."

Grenell joins DaVita after serving the past eight years as the Director of Communications for the United States Mission to the United Nations. Grenell has spent the last fourteen years as the primary communications advisor for public officials at the local, state, federal and international levels.

Grenell was an official member of the United States Delegation to the United Nations with full voting rights. He has represented the U.S. at a variety of UN conferences and has served as a commentator on Fox News, CNN News, Al-Jazeera, Al-Arabiya, the BBC Network and several other news affiliates.
