## SCAN Health Plan-VillageHealth Rated #1 By Consumers in Treatment of Renal Dialysis Patients

LONG BEACH, Calif.--(BUSINESS WIRE)--Dec. 9, 2013-- <u>SCAN Health Plan</u> announced today that its chronic condition special needs plan (C-SNP) for individuals with end-stage renal disease received the highest patient satisfaction rating of any C-SNP in California. The plan – called VillageHealth® – is a joint partnership with<u>DaVita</u>®, a division of DaVita HealthCare Partners Inc. (NYSE: DVA) and a leading provider of kidney care services. VillageHealth received a 92 percent satisfaction rating in Medicare's Consumer Assessment of Healthcare Providers and Systems (CAHPS) 2013 survey.\*

VillageHealth members receive all care management and dialysis services from DaVita's team of specially trained professionals, including nephrologists, social workers, dieticians and pharmacists. Coordinating the patient's total care, not just renal care, is a DaVita renal nurse who helps navigate the patient through various care settings such as dialysis centers, hospitals and specialist offices.

"Chronically ill patients have special needs, and dialysis in particular can be a difficult process for both the patient and their family," said Romilla Batra, M.D., SCAN corporate medical director. "VillageHealth is demonstrating how better-coordinated care can lead to better patient outcomes and overall improved quality of life."

"We are committed to bettering the lives of people with kidney disease," saidStephen McMurray, M.D., FACP, vice president of clinical integrated care management at DaVita. "The greatest opportunity for patient success comes from tailoring care to meet the unique needs of each patient – we're pleased that this approach is so appreciated by VillageHealth members."

The SCAN/VillageHealth Chronic Special Needs Plan (C-SNP) is available to dialysis patients in parts of Riverside and San Bernardino counties, and effective January 1 it will also be available to Medicare-eligible dialysis patients in Los Angeles and Orange counties. Members receive their entire Medicare professional and hospital services as well as their prescription drug benefit through VillageHealth.

CAHPS surveys have been conducted annually by theCenters for Medicare and Medicaid Servicesince 1995. The survey results are available to the general public to help individuals make more informed choices among health plans.
