Last year, DaVita partnered with Bright Horizons®, a leading provider of high-quality child care, early education, back-up dependent care and educational advisory services, to introduce four work-life solutions to teammates. These solutions are:

- Bright Horizons Back-Up Care™: Provides in-center child care or reimbursement for back-up child/elder care.
- Bright Horizons Education & College Advising™: Preparing teammates' high schoolers for college.
- Bright Horizons Special Needs™: Expert guidance on a child's unique situation and tools to advocate for the child.
- Bright Horizons Additional Family Support™: Access to a database of nannies, elder care resources and pet sitters, tuition discounts and study/test preparation services.

DaVita also launched THRIVE, a professional development program under DaVita Rewards. This unique program is focused on developing high-potential nurses, clinical coordinators and clinic nurse managers for positions in operation management. Additionally, DaVita is currently piloting Bridge to Your Dreams, an innovative program that supports qualified and high-performing patient care technicians in becoming Registered Nurses through fully-funded tuition, scheduling assistance, coaching and role placement.
